

Is your distribution network prepared for the peak shipping season?

SEKO now offers dedicated, guaranteed air cargo space to meet your supply chain requirements from Hong Kong to destination. Three charter flights per week from Hong Kong to Chicago provide the flexibility and capacity for your distribution needs. Whether shipping chopsticks, computers or retail garments, SEKO is your global supply chain solution.

To learn more about how to prepare for the upcoming peak shipping season, contact SEKO at:
Sales@sekoworldwide.com.
