

**SEKO CORPORATE OWNERSHIP CONSOLIDATED**

**Itasca, IL, December 8, 2008** – SEKO, a global provider of supply chain solutions, including transportation, logistics and IT solutions, announced that William J. Wascher and Steven D. Goldberg, who with Thomas K. Cagney, purchased SEKO from U.S. Freightways in 2002, have purchased all of Mr. Cagney's interests in SEKO. Mr. Wascher remains President and CEO of SEKO and Mr. Goldberg remains Executive Vice President of Operations and COO of SEKO.

Mr. Cagney remains part of the SEKO strategic network as the owner/operator of the SEKO offices in Denver, Colorado, and Dallas, Texas. Mr. Cagney sold his interests in SEKO to allow him to focus his business energies on his SEKO offices.

When the purchasing group headed by Mr. Wascher and Mr. Goldberg assumed control of SEKO in 2002, the business was restructured to allow the strategic partners to share in SEKO's growth. That companywide system remains in place today. Since 2002, SEKO has grown at an average rate of 25% per year and has expanded into 40 countries worldwide.

**About SEKO**

Founded in 1976, SEKO is a global third party logistics provider with 47 offices in the United States and offices in more than 40 countries worldwide. It offers a full range of supply chain solutions, including transportation services such as domestic and global air and ocean freight forwarding, customs brokerage, ground transportation, trans-border distribution, U.S. home delivery and DC bypass shipping, on an expedited and time-definite basis, 24/7. International logistics solutions include warehouse management services (WMS), asset management and distribution, contract logistics and reverse logistics services. Its IT solutions offer a broad range of real-time Web-based shipment management and data exchange tools for a high degree of supply chain visibility.
