CargoWise edi to Demo Product Suite at Air Cargo 2009 March 8th-10th in Las Vegas, Nevada

Chicago, IL USA March 4, 2009 — CargoWise® edi, a leading provider of integrated international supply chain logistics management systems, announced it will hold live product demonstrations at Air Cargo 2009, to be held March 8-10 at the Red Rock Resort in Las Vegas, Nevada.

The Company will have live demonstrations of enhancements to its flagship ERP-like logistics software product, *ediEnterprise*, including the new Importer Security Filing (ISF) Web portal application it announced in December 2008 to meet new shipment documentation requirements issued by the U.S. Customs and Border Protection (CBP) agency under the Secure Freight initiative. This program is intended to further enhance import and export laws for increased supply chain safety. CargoWise edi will be located in **Booth # 52**.

Among CargoWise edi attendees available to meet with customers and media are Gene Gander, Vice President of Sales - Americas, and Dave Hockersmith, Vice President of U.S. Business Development. "We are looking forward to exhibiting our new product enhancements at Air Cargo 2009," said Gander. "This is always one of the top shows in the air cargo industry, one that brings together a wide spectrum of clients and service providers throughout the U.S. and beyond to exchange ideas and share new technological developments."

ABOUT CARGOWISE® EDI

CargoWise edi provides solutions for forwarders, customs brokers and logistics service providers focused on supply chain execution capability in an integrated ERP-like globally capable system. It is a world-leading provider of low-cost, high-value software solutions and services for the freight forwarding, NVOCC, express courier, customs brokerage, contract warehouse, container freight station, ships agency, local cartage and other supply chain services.

Every day, 1,300 logistics service providers, consisting of 33,000 users in 45 countries, move goods through the global supply chain using CargoWise edi's flagship product *ediEnterprise*. CargoWise edi offers supply chain logistics management systems that provide full integration across all departments and functionality for domestic, regional and global customers. Headquartered in the U.S., Australia and now in the UK, the Company operates from 12 worldwide offices across the U.S., Europe and Asia.
