

Key Cargo Chooses CargoWise edi to Implement ediEnterprise Software Suite

Milton Keynes, UK, August 13, 2009 — CargoWise® edi, a leading provider of integrated international supply chain logistics management systems, announced that Key Cargo International Ltd, a UK-based shipping agent and freight forwarder, has implemented CargoWise edi's award-winning *ediEnterprise* software solution, a completely automated and modular set of supply chain solutions for all of the data processing and management requirements of an international shipping agency.

"We are delighted to be selected by Key Cargo International Ltd," said Andrea Robinson, Business Development Manager-UK for CargoWise edi. "The *ediEnterprise* system provides new operational efficiencies and functionality to allow Key Cargo to better serve the market in which they operate. We look forward to working with Key Cargo to optimize business processes and provide the level of service their customers demand."

"We are very impressed with the services offered by CargoWise edi," said Leigh Garrod – Director for Key Cargo International Ltd. "The *ediEnterprise* system is very intuitive and will allow us to realize increased efficiencies and capabilities. The flexibility of *ediEnterprise* enables us to implement a single system with all the functionality we require as well as the ability to easily add new features to meet future demands. We are very pleased to be working with CargoWise edi."

ABOUT CARGOWISE® EDI

CargoWise edi provides solutions for forwarders, customs brokers and logistics service providers focused on supply chain execution capability in an integrated ERP-like globally capable system. It is a world-leading provider of low-cost, high-value software solutions and services for the freight forwarding, NVOCC, express courier, customs brokerage, contract warehouse, container freight station, ships agency, local cartage and other supply chain services.

Every day, 1,300 logistics service providers, consisting of 33,000 users in 45 countries, move goods through the global supply chain using CargoWise edi's flagship product *ediEnterprise*. CargoWise edi offers supply chain logistics management systems that provide full integration across all departments and functionality for domestic, regional and global customers. Headquartered in the U.S., Australia and now in the UK, the Company operates from 12 worldwide offices across the U.S., Europe and Asia.
