## ***CargoWise edi to Attend WESCCON 2009 Conference October 8-11 in Rancho Mirage, California***

**Chicago, IL USA, October 5, 2009** — CargoWise® edi, a leading provider of integrated international supply chain logistics management systems, announced it will exhibit at WESCCON 2009, to be held October 8-11 at the Rancho Las Palmas Resort & Spa in Rancho Mirage, California. WESCCON is produced by the Pacific Coast Council of Customs Brokers and Freight Forwarders Association (PCC) which was established to further the interests of Pacific Coast freight forwarders and customs brokers, their customers, U.S. exporters and importers, and the entire international trade community.

CargoWise edi, located in Booth #1, will provide overviews of its flagship product for logistics services providers, the modular edi*Enterprise* system, including its Importer Security Filing (ISF) Web application. Representatives for CargoWise edi available to meet with attendees and media are Bill Todd, Business Development Manager - CHB and Kurt Corman, Business Development Manager.

"We are pleased, as part of our ongoing commitment to the industry, to participate in WESCCON 2009," said Lisa Tree, Marketing Manager for CargoWise edi. "Not only does this conference enable us to meet with our customers, but it provides an excellent opportunity to attend a variety of educational, networking and social opportunities. This is always a significant conference for attendees as it brings together a broad spectrum of players within the brokerage and freight forwarding industries to exchange ideas and share new technological developments."

### **ABOUT CARGOWISE® EDI**

CargoWise edi provides solutions for forwarders, customs brokers and logistics service providers focused on supply chain execution capability in an integrated ERP-like globally capable system. It is a world-leading provider of low-cost, high-value software solutions and services for the freight forwarding, NVOCC, express courier, customs brokerage, contract warehouse, container freight station, ships agency, local cartage and other supply chain services.

Every day, 1,300 logistics service providers, consisting of 33,000 users in 45 countries, move goods through the global supply chain using CargoWise edi's flagship product edi*Enterprise*. CargoWise edi offers supply chain logistics management systems that provide full integration across all departments and functionality for domestic, regional and global customers. Headquartered in the U.S., Australia and now in the UK, the Company operates from 12 worldwide offices across the U.S., Europe and Asia. More information on CargoWise edi can be found here: [www.cargowise.com](http://www.cargowise.com).
