

Yusen Air & Sea Service Co., Ltd. Selects CargoWise For Software Solution *- Global Logistics Company Chooses CargoWise For Global Systems Project -*

Sydney, Australia, February 8, 2010 — CargoWise®, a globally recognized technology supplier for logistics service providers, has been selected to provide a global enterprise solution for Yusen Air & Sea Service (YAS Group). CargoWise's ediEnterprise system is positioned as the foundation of YAS Group's next-generation operating system, YUNAS (Yusen Navigation System), to support the company's global business strategies for the coming years.

Simon Clark, Business Development Manager – EMEA for CargoWise, stated: "We are delighted that Yusen has chosen ediEnterprise as its global logistics platform of choice. The YAS Group goal is to improve process management and operation efficiency with the aim of providing a first-class customer experience worldwide. CargoWise's ediEnterprise solution with its focus on third party logistics and supply chain services and its single world view and global capability is a comprehensive solution for the company's freight, customs brokerage, warehousing, and accounting operations."

"The CargoWise ediEnterprise system is at the heart of YAS Group's core operating system, YUNAS, which has been developed with the aim of a global rollout," said Mr. Yasuhiko Yamashita, System Innovation Section Manager for YAS. "We are very pleased with the project so far and already have several countries live. The ediEnterprise system has proved to be solid and reliable. We expect this system to enhance our service qualities." Stuart Mcfarlane, Senior General Manager YAS Australia, commented: "The new system is a modern Forwarding, Customs Clearance, Warehousing and Logistics system integrated with the Accounting system. The operation is very different than our legacy solution. The Windows-based system provides a clear and intuitive working environment, making it very user friendly. The ediEnterprise system is good for our customers, good for our company and our staff."
