CargoWise Announces Deal With BNSF Logistics

- Successful Implementation of ediEnterprise System Positions 3PL for Growth -

Chicago, IL USA, January 27, 2011 — CargoWise®, a globally recognized technology supplier for logistics service providers, has announced the completion of a successful ediEnterprise system implementation with industry leading 3PL provider, BNSF Logistics LLC.

BNSF Logistics selected CargoWise to provide a comprehensive single platform ERP accounting, logistics and customs brokerage solution to meet current requirements with the added flexibility to execute its future growth strategy.

“CargoWise provided our business and technology resources with ready access to their product development team, streamlining the issue escalation and resolution process during our implementation,” said Andrew Cordischi, Vice President of Technology for BNSF Logistics LLC. “We were also able to leverage the latest features of the application, like enhancements to the customs brokerage module, to the benefit of our customer base.”

Gene Gander, Vice President Business Development – Americas for CargoWise said: “A successful implementation depends on a commitment from each partner. The exceptional internal management provided by BNSF Logistics, working directly with CargoWise product managers, contributed to the success of the ediEnterprise implementation project from the time of uptake to the time the system went live. We look forward to continuing our partnership with BNSF Logistics.”
